

# Floor Care Kit

## PRODUCT FEATURES

- Complete cleaning kit for gentle wet cleaning of wooden floors.
- Suitable for both oiled and lacquered floors
- Works well on all washable surfaces such as PVC, laminate, linoleum, vinyl, other painted/lacquered surfaces, stone, laminate, tiles, glass, porcelain etc.
- Box contains Cleaner Spray, ready to use in spray bottle, high end micro fiber mop with holder plate and an ergonomic pole
- All consumables can be purchased separately in a refill package

## PREPARATION

Daily cleaning on wooden floors should be carried out using dry cleaning methods, e.g. dry mopping and vacuuming. Before using Floor Care Kit remove all loose particles which might scratch the surface.

## APPLICATION

Cleaner Spray is sprayed directly onto the floor and dispersed using the micro fiber mop. Wash the soiled mop regularly in clear water. Rinsing after cleaning is not necessary.

**NB:** Never pour water directly onto wood or laminate floors, instead use a damp cloth or floor mop and remove excess water immediately.

The material of the micro fiber mop is especially designed for wooden floors and it is not abrasive.

The mop can be washed in clear water or in a washing machine after use.

For specific information about the cleaner please see the product sheet or safety data sheet for this product.

## HEALTH AND ENVIRONMENT

Arboritec Cleaner is not classified as hazardous to your health or the environment. Precautions common for handling any chemical products should be taken. For further information, please refer to the Material safety data sheet.
